VALUES

Service
Providing the highest levels of professional service for our clients.

Above all else we are committed individuals serving those young people and families that seek our service and will demonstrate empathy, compassion and helpfulness towards those we serve and each other.

Integrity
Achieving the highest standards of ethics and integrity.

We accept that integrity – the demonstration of consistency in our actions, behaviors, ethics, and values, as well as honesty and truthfulness – will aid in the achievement of the highest levels of professionalism possible therein supporting our clientele and fellow workmates most effectively.

Respect
Demonstrating respect.

We respect our clients and their families, each other and those with whom we work with in the community.

Hope
Maintaining a positive environment within our agency.

We understand that the work we have accepted is often challenging and stressful and with that understanding we seek to maintain a positive and hopeful environment.
Since 1970, New Morning has been a key partner in developing & providing services for our community’s youth and families. We are the largest provider of outpatient mental health services for children in El Dorado County and we operate the only shelter for runaway, homeless and in-crisis youth. In addition we provide parenting education, Latino Outreach and foster youth services. Keeping in line with our core values of Service, Integrity, Respect and Hope, New Morning’s pursues its mission to provide the highest quality services to our community.

This past fiscal year we have been able to provide services to nearly two thousand children and families in need of support. I feel fortunate to work with an incredibly dedicated and caring staff that make our county’s children their top priority. I also feel fortunate that New Morning receives such incredible support from our community. Thank you to all of you that have helped us with your donations and time throughout the year. We couldn’t do this without the kindness and compassion of our community.

Thank you,

David Ashby
Executive Director
